Title of the Research Paper/Case Study: .....

**Declaration**

I certify that I have participated in the conception and design of this work and the analysis of the data (wherever applicable), as well as the writing of the original manuscript, to take public responsibility for it. I believe the manuscript represents valid work. I have reviewed the final version of the manuscript and approve it for publication. Neither has the manuscript nor one with substantially similar content under my authorship been published nor is being considered for publication elsewhere, except as described in an attachment. Furthermore I attest that I shall produce the data upon which the manuscript is based for examination by the editors or their assignees, if requested. I have also gone through the norms of my University, college and permit to publish my article in conference proceeding.
