

Makhanlal Chaturvedi National University of Journalism & Communication, Bhopal

Tender Document for Pre Examination Data Processing and Post Examination Data Entry and Processing Work

TENDER DOCUMENT

Sealed tenders on behalf of Makhanlal Chaturvedi National University of Journalism and Communication (MCNUJC), Bhopal are invited for Computerised Pre and Post exam data processing for University Semester Examinations from registered, experienced & reputed firms under the bid system, as per details available at the University Website www.mcu.ac.in. The work involves Pre Examination data processing, various report generation and printing work (including stationery) from data of online submitted exam forms and post examination data entry, processing of result through bidder's own software and printing tabulation chart, marksheet, degree etc., on preprinted stationary for the Semester Examinations.

The University invites sealed tender offers from eligible, reputed software companies for Pre & Post Examination data processing. They are required to print Admit card, Attendance Sheet and various Reports. The University will provide all the data that includes examination internal marks, practical marks and theory marks and other information. Internal and Practical marks will be available to successful bidder online while Theory marks will be available in soft copy after reading OMR Sheets. The validity of data will be attended by the firm / company.

All work has to be done at agency's own premises.

7. Presentation of Expertise

The firms/companies may be required to demonstrate the managerial and technical capabilities at the place and time determined by the University at their own expenses.

8. Penalty Clause

The University conducts semester examinations in very tight schedule and inbetween the two semester examinations-declaration of result, revaluation, next semester enrollment and examination form submission process have also to be completed. Therefore the Company / Firm has to complete the entire work strictly as per the prescribed schedule and strictly in accordance with the terms and conditions of the Tender failing which the University without prejudice to any other right or remedy available may recover any such amount suffered as loss from the company / Firm as ascertained by this office as liquidated damages and not by way of penalty to be imposed, separately at the rate of 1% per day of delay on the total value of work order subject to a maximum of 25% of the total value of work order, provided if any loss or delay has been caused due to any reason beyond the control of any of the parties (Force Majeure). The Vice Chancellor, Makhanlal Chaturvedi National University of Journalism & Communication, Bhopal shall have the sole discretion to waive off such loss or penalty as he deems fit, provided further that the Firms/Companies shall explain in writing the reasons which caused such delay or loss within 5 days from the date of delay or incurrance of such loss.

- 9.** Printed terms and conditions of the Agency will not be considered as forming part of the tenders. In case terms and conditions of the work order applicable to this invitation to quotation are not acceptable to any tenderer, he should clearly specify deviation in his tender. The University reserves the right to accept or reject them and will not be bound to give reasons for its refusal to consider the tender with deviations.

- 10.** Hypothetical and conditional quotations will not be entertained.

- 11.** The estimated quantum of work should be around 1,60,000-1,70,000 exam forms (Backlog+Regular) and around 50,000 enrollment forms per semester.

12. The duration of the task is likely to be from October to November and April to May for pre exam work. January to March and July to September is the likely duration for post examination work.
13. The above work has to be completed in the agency's own premises, including holidays and Sundays or as ordered depending upon necessity of work.
14. Firms/Companies shall be required to provide zero error certificates in respect of data captured and outputs.
15. Firms/Companies are required to quote charges on per candidate (unit) basis for all works and on to work basis as per 6(A) to 6(D) & together as well. (A candidate who fills form as regular candidate in any semester and also fills form/forms in any other semester as backlog candidate will be treated as two separate units.)
16. Firm/company needs to process the data on daily basis. The processed data (in the required format) along with reports/lists after all the data entered needs to be submitted to the Controller of Examination within time schedule and as directed.
17. Firm/Company which has been awarded the work order should not use the data-base generated for any other purpose other than those specified by the University. The University has the exclusive right to the data-base.
18. University will have exclusive right to the software and other computer programs developed (including the source code) for sorting of data.
19. The Firm/Company shall not sub-contract or assign all or any part of the work to any third party.
20. Rates quoted shall remain fixed till the contract period.
21. Firm/Company would be required to sign an agreement on a stamp paper of an appropriate value.
22. Period of Contract: **Three year (Six semester exams)**. The period of contract will commence from the date of signing of the contract. The contract may be extended for further one year i.e. two semester with the same conditions and with the mutual consent of both parties.
23. The decision of the University with regard to the acceptance/otherwise of the bids will be final and binding.
24. Firms/Companies short-listed by the University should demonstrate their ability to handle the tasks (of data capturing through Software, processing of data to generate reports/lists as per University guidelines) and they may be required to demonstrate a trial run from old raw data before the final exercise.
25. Firm/Company which is awarded the work order will have to demonstrate a final trial run well before the final exercise.
26. Sealed envelopes should contain (Technical & Financial Bids should be sealed in separate envelope)
 - (a) Confirmation of understanding of the technical specifications of the works as defined in the Annexure-I proposed to be executed by the firm.
 - (b) Firms/Companies shall also submit detailed note explaining the scope of work as understood by it/him and which shall be executed by it/him.
 - (c) Submit detailed list/procedures of test, which the firm proposes to conduct on completion of work.

27. Technical bid will be evaluated by the Technical evaluation committee appointed by the University
28. Firm/Company should keep the execution of the entire project confidential till its completion. The manpower employed for the work should be on permanent roll of firm/company.
29. The entire work is of a time bound nature, and the firm/company will have to execute work as per the schedules given by University.
30. Firms/company will have to collect data from University premises within 24 hrs. of intimation and also to deliver all data and printed material at University premises within time schedule on its own cost.
31. The software for processing data pertaining to old records must be developed and got validated by University within two week from the placing of the work order. The actual processing of result of candidates through the software and generation of outputs needs of be done as per the requirements of the University.
32. All the generated reports and software required for the finalization of results for the examination of various courses have to be submitted in Hard Copy and Soft Copy on CD-ROM or otherwise as specified.
33. Any clarification/doubt may be addressed or personally discussed, if need be from the office of the Controller of Examination, Makhanlal Chaturvedi National University of Journalism & Communication, B-38, Vikas Bhawan, Bhopal-462011.
34. Performance Security Deposit: The successful tenders will have to furnish a Performance Bank Guarantee in favour of the "Registrar, Makhanlal Chaturvedi National University of Journalism & Communication, Bhopal" valid upto sixty (60) days after the completion of contract from a Scheduled/Nationalized Bank of India for 10% of the total order value within twenty one (21) days of the placement of orders.
35. **Payment term**
Payment will be released within 30 days of submission of bills after successful completion of work.
36. Financial bid of eligible firms/companies will be opened only after scrutiny of Technical bid.
 - (i) **Late/delayed tenders:** Late/Delayed tenders due to any reason what-so-ever will not be accepted/considered at all under any circumstances.
 - (ii) **Forfeiture of EMD:** The Earnest Money Deposited (EMD) will be forfeited if the vendor withdraws or amends, impairs and derogates from the tender in any respect within the period of validity of tender or fails to furnish the Performance Security deposit.
37. **Termination of contact**
If the agency after being allotted work order, fails to complete the exam work satisfactorily or commit blunder in execution or the work is found unsatisfactory the university can terminate the contract without any notice
38. **Envelope I (Technical Offer)**
The Technical Offer should be complete in all respects and contain all information asked for. (As per Annexure-I)
