## FROM THE DESK OF VICE CHANCELLOR

### In Pursuit of Excellence

It gives me great pleasure to welcome you all to Makhanlal Chaturvedi National University of Journalism and Communication. This University has completed three-decades of its fruitful existence and takes pride in its emergence as a pioneer in providing affordable quality education through its three campuses at Bhopal, Khandwa and Rewa.

The institution is the first Journalism University of Asia which was established with the vision to promote excellence in education for a vibrant and inclusive society through knowledge creation and dissemination. We have been imparting innovative educational pedagogy which strive hard to impart quality education including critical thinking, creativity and life skills to meet national and global challenges.

This University is pursuing the holistic approach in education to inculcate right values among students to produce socially sensitive and patriotic citizens. Thus it encourages not only curricular activities, but also co-curricular, extra-curricular and extension activities such as NCC, NSS sports and cultural clubs. In sync with the changing times, we are fully prepared to offer blended learning to our students as also hands on experience through enhanced academia- industry exchanges. Our emphasis is on grooming responsible and competent global citizens with strong Indian roots.

The University has now introduced courses in consonance with the National Education Policy in all its Under Graduate

programmes, with multiple options in the fields of Media, Advertising, Mass communication, Journalism, Management, Computers and Research. We also have courses as per choice based credit system, apart from PG Diploma Programmes.

The Bhopal and Rewa campuses of the university are all set to shift to their brand new campuses equipped with state of the art facilities and thereby add colours to the dreams it has seen in its long and outstanding journey. The spectacular achievements of its alumni in leadership roles in media-communication organizations, voluntary organizations, information-technology, entertainment communication, libraries media organizations has made the university a prestigious platform for talent and its promotion. No wonder then that India Today in its latest rankings has named us among the top 12 Media schools in the country.

The university, with its liberal, comprehensive and inclusive thinking, made its meaningful interventions in the intellectual sphere through the organization of several national and international seminars/webinars workshops and consultancy. Our faculty keep themselves constantly updated through FDPs, Orientation Programmes and International courses. The University open- heartedly welcomes you all to come together to explore the various opportunities it is offering to build a better and brighter future, to build a better society and a great nation.

**-Prof. K. G. Suresh**  
Vice Chancellor

# BHOPAL

## THE CITY OF LAKES

Bhopal, located in the heart of India, is the capital of Madhya Pradesh, is also known as the City of Lakes for its various natural as well as artificial lakes and as one of the greenest and cleanest cities in India. Founded by Raja Bhoj in the 11th century, the city was earlier known as Bhojpal in his name. With an expanded planning area of 463 square kilometers, Bhopal stands among the 15 largest cities of India. It has retained its old world charm despite industrialization, with the old part of the city being full of narrow alleyways and crammed markets, while the new part of the city is better planned and is full of parks and gardens. Bhopal is an important economic, industrial, political and educational center of Madhya Pradesh and is home to many institutions and installations of state and national importance. The city has also contributed in the fields of science, politics, literature, and many others.

ABOUT  
UNIVERSITY

**M**akhanlal Chaturvedi National University of Journalism and Communication (MCNUJC) was established 31 years ago. Carrying forward the legacy of excellence, it is a leader and pioneer in Mass Communication, Media, Journalism, Computer Applications, Digital media, and Management Education.

Established in 1990 by the Madhya Pradesh Government, MCNUJC is named after Pt. Makhanlal Chaturvedi, the great editor, poet, litterateur and freedom fighter. It is the first academic centre of excellence in the entire Asian sub-continent where professionals are developed in Communication, Media, and IT disciplines through traditional and modern methods of communication relevant to the current media needs. The University is also recognised under section 12(B) of UGC.

Sticking to the newest trends of Media and Information Technology, the University conducts postgraduate, undergraduate as well as skill-oriented diploma courses in Journalism, Broadcast Journalism, Advertising and Public Relations, Electronic Media, New Media, Computer Applications Media Management and Communication Research. The university is also introducing new courses as per National Education Policy 2020.

The university has been a pioneer in launching many new job-oriented courses of significance, which have received enormous appreciation among employers. The University has a focused approach towards professional education, training and innovative methods of teaching and learning. Students get opportunity to study subjects of their choice under the Choice Based Credit System (CBCS) as per the industry needs. The University is equally appreciated for its research contribution through its research scholars leading to the award of PhD in Media and Computer Applications. Most of the faculty members of the university hold a PhD along with strong research contribution.

MCNUJC is a unique amalgamation of Media, IT professionals and academicians. Today, the university is also providing education to the remote

rural areas with a wide network of over more than 1700 associated study institutes, where, annually, over one lakh students are studying in regular programmes. This is a grand indicator of the university's success, credibility, popularity and recognition.

Our faculty members are recognized for their dynamic approach, research and dedication. They are approachable and enthusiastic who make their disciplines accessible and enjoyable. The university aims to transform dreams and ambitions of students into global opportunities for success. Our alumni are placed in renowned Print Media Institutions, Channels, Advertising agencies, Public relations firms, Graphic designing and multimedia world, Information Technology and Computer Industries and many of them occupy senior positions.

What makes MCNUJC the first choice for media, communication and IT education in the entire country is its comprehensive academics with exceptional industry exposure and quality education on affordable fee structure with the best professional environment.

The Hon'ble Vice President of India is the Visitor of our university. The Chief Minister of Madhya Pradesh is the Chairman of the General Council and the Management Committee of the University. General Council is the supreme decision-making body of the university and it directs the academic and administrative activities of the university. Many distinguished people in the media like the Chairman of Press Council of India, representative of Editors' Guild, reputed information technology professionals, renowned teachers and well known personalities of the country and the state are nominated as the members of the General Council. The Management Committee of the university executes the policy and administrative matters. Leading University through managing, teaching and administration lie with the Vice Chancellor of the university. The Academic Council includes distinguished teachers of media and computers, senior professionals and heads of the university departments. They provides guidance and decides matter related to teaching, training and research activities of the university. The Vice Chancellor is also the Chairman of the Academic Council.

Upcoming Campus of  
University in Bisankhedi

NEW CAMPUS ▶

Presently, the university has its main teaching-learning campus in Bhopal, and it is housed in a twin multi-storied building spanning across 7000 sq. mt. area, at MP Nagar, adjacent to Press Complex, at the heart of the city. The campus is well- equipped across its seven floors, with all essential facilities including classrooms, studios, libraries, labs etc. Though this campus will continue to exist as the city campus, the University is set to start its activities in the newly constructed campus by July 2021.

The new campus sprawls in 50 acres with 58 lakh sqft built-up area. It is techno-friendly, nature friendly and modern, and shall be open for the classes from the July 2021. Facilities like spacious classroom, well equipped labs, girls & boys hostels, meditation centre, computer centres and studios, libraries, cafeteria, canteen, clinic for students, quarters for the faculty members and officers, recreation centres, playgrounds, indoor and outdoor games, stadiums, auditoriums, essential shopping, 24-hours ATM facility, medicine and health care, modern gym etc. will be available in the new campus.

# MAKING A DIFFERENCE

The amazing academic opportunities at Makhanlal Chaturvedi National University of Journalism and communication are consistent and it leads to excellent student's satisfaction, leading quality of research and high quality standards. The university offers a wealth of provisions for supporting students in their academic studies and extracurricular activities which helps them to lead a very long way off beyond university life. It is worth considering how invaluable a degree from this university can be in the job market. Employers actively seek the students and help them for final placements and internships in diverse fields. The university attempts to bring students together by their talent and passion of their subjects which helps them to cultivate their skills and strength. The University is pursuing the holistic approach in education to inculcate right values among students to produce socially sensitive citizens. Thus it encourages not only curricular activities, but also co-curricular, extra-curricular and extension activities. This University has introduced courses as per National Education Policy in all its Under Graduate programmes, with multiple options in Media, Advertising, Mass communication, Journalism, Management, Computers and Library Science. For multifaceted development of students, curriculum emphasizes on wide variety of courses to enhance their knowledge in several core courses.

From academic environment to an astonishing array of extracurricular activities the university offers the chance to develop students interest beyond the degree. In the words of our Vice chancellor we help you to "make the future".

## QUALITY EDUCATION AND UPDATED CURRICULUM

The University ensures that the students are kept abreast with the latest industry trends and are conversant with their surroundings when they conclude the Programme and enter the world of media professionals. For this, special attention is paid to regularly updated curriculum and quality education.

Curriculum is designed such that focus is on the various aspects viz. employability, innovation, research, skill development and professional ethics. It is designed by taking inputs from various stake holders like domain experts, alumni, students, eminent academicians from the institutions of National repute, Media experts, etc .

The University has standard academic calendar, which is followed by all the departments. It follows semester based system with minimum 90 working days for academic session.

Credit and grade based scheme with innovative pedagogy is used. Following UGC guidelines, CBCS system has been implemented from the year 2017-18. From this year the university is introducing 07 new courses as for National Education Policy.

## TEACHING METHODS

We strongly believe that learning is more important than mere teaching and hence, we emphasise a lot on learning. The University provides stimulating environment to students through interactive sessions. All courses offered at the University are delivered with innovative teaching methodology. The learning at this Pandemic time is done virtually by using digital platform like Google Meet , Zoom, Webex, Skype etc. Other learning facilities available in the campus provide ample opportunities for learning to students, which transforms them into professionals in their chosen field.

The regular faculty comprises of distinguished academicians and leading professionals with rich industry experience. In addition to the regular faculty, leading professionals from the industry interact regularly with the students. Students get a deep insight into the subject with the rich industry experience that the faculty shares with each of them. They are encouraged to look beyond the books and explore the subject with experiential learning.

## INDUSTRY-ACADEMIA INTERFACE

The Industry-University interaction helps to create opportunities for research, consultancy, continuing education programmes, and student internships. The University cultivates an enduring relationship with the Media and IT industry as it is integral to the teaching learning methodology and curriculum. It conducts regular visits of media houses, PR firms, production houses for media and management students and software development firms and IT supporting services firms, for computer students. Students gain the experience of the workplace through industrial exposure and study tours.

The University organises various programmes, seminars, conferences and symposia in collaboration with the industries. Industry leaders, senior editors, journalists, advertising experts, media managers, computer and IT experts and people from diverse field of interests are invited for interaction with students for enrichment of their knowledge and employability. Review reports, recommendations and advice of organisations like FICCI, NASSCOM, CSI etc. are considered for design and modification of the curricula to make them more industry-oriented.

## CENTRAL LIBRARY

Information is the bloodline of the future. It lies at the core of research, and forms of mainstay of learning. MCNUJC ensures that students have access to wide sources of information. The well- stocked library has a wealth of information on varied subjects. The library has OPAC facility, with information of around 41,000 books on wide range of subjects from media and communication to public relations and information technology.

The library is equipped with e-books, online journals, magazines and periodicals and newspapers, national digital library facility for the students. A total of forty national and regional newspapers are regularly subscribed to and are kept in the library archive for media and communication studies for students. Apart from this, 100 subject-specific magazines as well as those useful for competitive examinations are also made available. The library has a huge collection of research journals on Media and Communication, IT and Computers. The University has the membership of more than sixty research journals like Asia Pacific Media Educator, Journalism, Journal of Communication, Vidura, P R Communication Age, South Asian Journal of Socio- Political Studies, etc.

To aid the progress of media related research, the library has developed an archive for newspaper clippings on 300 specific subjects and has been regularly updating it. In order to improve reading habit amongst students, an award is given every year to a student who spends the maximum time reading in the library. Besides the main library, each teaching department also has its own library with books, periodicals and journals.

### **MERIT SCHOLARSHIP AND FINANCIAL SUPPORT**

The University grants limited merit scholarship to students who are domiciled residents of Madhya Pradesh. Concession in tuition fee is given to certain number of students belonging to economically weaker section on the basis of their academic performance and conduct in the campus, and is also provided to enrolled siblings in the University. Also, scholarships to scheduled caste, scheduled tribe and other backward category and physically challenged students are granted as per the rules of government of Madhya Pradesh. The University also helps students to acquire educational loan from nationalised banks.

### **LANGUAGE PROFICIENCY LAB**

It is no hidden fact that proficiency in languages is the backbone of media and communication professionals. Keeping this in mind, the University has developed a well-equipped digital language lab which strives to make students to speak, listen, read and write in ways that are immediately useful in real world situations. Students are also encouraged to participate in exercises and tutorials for improvement in communication skills.

## **PLACEMENT AND ENTREPRENEURSHIP CELL**

The University helps students achieve lifelong success in their chosen career by reaching out to prospective employers and alumni. Renowned recruiters of media and IT industries actively and consistently target our students. There is a centralised placement cell for students of all departments of the University. With the job market being increasingly competitive, our students are fully equipped with the knowledge and skills required to progress in their chosen field. Committed to building the future of the students, campus recruitments from leading media and corporate houses are organised. Large number of our students get selected every year through campus interviews. Our students have been placed with all leading media houses including BBC, NDTV, ABP, AajTak, Zee News, ETV, PTI, UNI, Reuters, Doordarshan, Lok Sabha TV, Rajya Sabha TV, Star News, Times of India, Hindustan Times, India Today, Indian Express, Danik Bhaskar, Patrika, Sahara and many more.

## **HOSTEL FACILITIES**

Separate hostel facilities are provided for Boys and Girls in the University campus having adequate high security and good discipline. The capacity of boys and girls hostel is 150 each with ragging free environment and furnished rooms. Each room is provided with furniture needed by a student i.e. bed, table, chair, cupboard, etc. The hostel is administered by chief warden and assisted by warden/assistant warden. Hostel accommodation is allotted to students strictly on merit basis. There is a separate mess for boys and girls. The hostel committee coordinates with the mess committee for smooth running of the mess. Review and inspection of the food quality is carried out at regular intervals.

## **CAREER COUNSELLING CELL**

The University sets up a career counselling cell to provide guidance to prospective students at the time of admission. Every teaching department has its own career counselling cell which students can approach to get guidance about the courses and careers they are interested in. The cell works closely with them to build their overall personality to enable them to stand apart and succeed in a competitive environment. The media and industry connections help students interact with leaders in the field to enhance their exposure.

## SPORTS AND EXTRA CURRICULAR ACTIVITIES

For the overall development of their personality, every student is encouraged to participate in sports and extracurricular activities. Inter-departmental sports competitions are organised by the University every year during the annual fest'

## RAILWAY CONCESSION FACILITY

Students not exceeding 25 years of age can avail railway concession facility for going to their hometown, educational tours and vacations declared in the academic calendar for both ways of the journey, and one way at the end of the last semester.

## PRATIBHA

'Pratibha' is a confluence of talents in students of diverse backgrounds and cultures who are provided an opportunity to showcase their talents. Competitions including group dance, western solo and classical solo, power point presentation, story boarding, mime, skit, extempore speech, photography and debate are held under the annual festival. Indoor and outdoor games like cricket, football, chess and badminton competitions are also held. Talented students avail the chance to represent University in inter-university and zonal youth festivals.

## **PRODUCTION ACTIVITIES**

Outbound activity is one of the many productive and innovative ways of teaching, especially since the University focuses deeply on preparing each student for career and life. The University has introduced production activity in order to promote hands-on training to students every week. Students in this University have the opportunity to carry out practical on different types of productions including film, photography, print journalism and multimedia storytelling, research based field surveys, packaging designing, documentaries, script writing, news bulletin, in- house journals designing, designing digital posters and logos, etc. These activities enable the students to adapt quickly to real job situations.

## **MEDIUM OF INSTRUCTIONS**

Teaching-learning as well as examinations are offered in English and Hindi bilingual pattern. The students have a choice to choose their language, ensuring that the quality of academics is maintained, irrespective of the chosen language.

## UNIVERSITY PUBLICATIONS

The University has a separate Publication Department which maintains documentation of all the publication work. Various renowned books and research projects are published through the publication department. Also it publishes blind peer reviewed bilingual quarterly research journal 'Media Mimansa', a prestigious and reputed journal dedicated to research in the field of Mass communication, Journalism, Electronic Media, Media Management and Computer Applications.

In line with the objective of the University in promoting the Media and Communication facilities in Indian languages with more emphasis on Hindi, the University has ventured into development of valuable academic material in Hindi and English. The University has developed a strong content creation and publication service, having published numerous quality books, regular periodicals, and journals, etc. The University has also conducted several research projects for evaluation and improvement in the media and journalism related issues in the nation.

The University has contributed more than 77 books on Literature, Journalism, Political Journalism, Economic Media, Journalism, Film Journalism, Electronic Journalism, Press Laws, freedom of expression, Sports Journalism, Science Journalism and other communication related subjects. Thirty monographs on eminent editors, their contribution, and stature along with personal details have also been published.

## ALUMNI ASSOCIATION

An Alumni Cell has been established in the University to strengthen the relations of alumni and their alma mater. For this, alumni meets are organised from time to time in different parts of the country. It provides an opportunity for seniors to share their experiences with current students, and also helps current students secure their future by getting placed in good companies through employee referral schemes. To motivate existing students the university has also published several success stories of their alumni.

### **BASIC GYM AND MEDICAL ASSISTANCE**

The University offers basic facilities of gym and medical assistance to students. A doctor with first aid facility is available in the campus during working hours. Besides, a senior doctor also visits campus from time to time or as per the requirement.

### **AWARDS CONFERRED BY THE UNIVERSITY**

The University offers awards and appreciations to the major contributors in the nation relating to the field of communication. The prestigious 'Ganesh Shankar Vidyarthi Award' is conferred every year.

### **RESEARCH**

The University is known for its quality research contribution through its faculty members as well as the registered scholars of PhD courses in the disciplines of Media and Computer Applications.

### **STUDENT ENROLMENT**

All the students admitted in any full time PG and UG program are necessarily required to complete enrolment in the University as per rules. All the essential documents must be provided before the prescribed date, failing which the admission stands cancelled. Similarly, after the completion of the course the University offers a migration certificate on receiving a request for the same.

## ATTENDANCE REQUIREMENTS

With the commencement of a semester, classes in the University are held regularly and students are required to attend all classes. At least 75 percent attendance in classes and practical work is mandatory for all students. In case of short attendance, students will not be allowed to appear in internal examinations or even the end semester examinations. A student's registration may be cancelled if he/she remains absent for six consecutive days without any prior information. He/She may be permitted to re-register on payment of the requisite fee and fulfilment of the requirements, under special cases. The students can pursue only one regular course at a given time. No student is allowed to do any regular job during the course.

## CONDUCT AND DISCIPLINE

The University has set high standards for conduct within the campus and outside. Students are expected to maintain the highest standards of discipline and behaviour inside as well as outside the campus. All the campuses of the University are completely ragging-free, and follow zero tolerance regarding it. The University has an anti-ragging squad and committee which monitors cases of ragging, if at all any, as per the UGC Regulation. Ragging in any manner in campus/hostel/outside the campus will invite strict disciplinary actions including expulsion or penal action. Every student is required to submit an affidavit / written undertaking duly countersigned by their guardian/parents ensuring proper conduct throughout the academic sessions and also assuring good behaviour, to abide by the rules and norms of the University. Students can register concerns about ragging (if any) with the concerned HoD or the anti-ragging committee of the University. Students are also expected to follow the guidelines issued by the Department of Higher Education, Madhya Pradesh and code of conducts of the University. In case of violation, student will face disciplinary actions to the extent of being suspended/rusticated.

## **SOCIAL MEDIA POLICY**

Students are encouraged to be mindful and creative in the use of social media platforms. However, they should not infringe on the rights, or privacy of other students, staff and teachers. They are expected to not make ill-considered comments or judgments about other students, staff and teachers. Students must take care while communicating, commenting, or reacting through social media. They must maintain the highest standards and integrity while posting any matter on their personal social media accounts. Any post or comment, related to staff members, teachers, other students, which is defamatory, discriminatory, threatening or causing harm to one's reputation must be strictly avoided from being shared online.

No post or comment should be made on social media platforms which violates the code of conduct, else strict action will be taken against the student.

## **EXAMINATIONS**

The University conducts semester, internal and practical examinations with utmost precision, fairness and objectivity. To ensure continuous and comprehensive evaluation, three internal examinations are held during each semester, with a specifically defined schedule in the academic calendar itself. End-of-semester

examinations are held in December-January and May-June as per curricula under the Choice Based Credit System. The evaluation comprises continuous evaluation and end-of-semester summative evaluation. Students are expected to follow the guidelines issued with in the examination manual to maintain discipline during the examinations. Online applications are to be filled for examinations. The University reserves the right to amend the academic or examination system from time to time.

## **SEMESTER REGISTRATION**

The University expects all students to strictly follow the timeline of all the activities mentioned in the annual academic calendar declared at the beginning of the academic session. For this, at the beginning of each semester, all students must compulsorily register themselves by being personally present in their respective departments on the scheduled date as directed by the department. It is mandatory to select courses of choice from the list of open elective courses of other departments provided in the CBCS system on the day of registration itself. The students will also have to select core elective subjects for the semester available in syllabus, also, at the time of registration. At the same time, students will have to pay all their outstanding fees.

## NATIONAL CADET CORPS (NCC)

In order to inculcate national spirit and discipline among students, the NCC army wing was started in the University in 2015 with one company under army wing 4 MP Battalion, Bhopal. The University NCC comprises of 54 Cadets. The company is presently taken care of by Associate NCC Officer Mukesh Kumar Chourase. He is serving as Care Taking NCC officer of the University since 2017.

- ✓ The National Cadet Corps plays a significant part in moulding a person's character. It fosters the spirit of teamwork and man-management and leads to the development of a more pleasing overall personality.
- ✓ NCC strives to achieve the following objectives:
- ✓ Constructive use of leisure time, wholesome recreation, wide cultural sympathies, abiding social consciousness and an alert mind.
- ✓ Recognizing the importance of the NCC, the Institute offers the students an opportunity to be part of the NCC.
- ✓ As a part of Institutional training, cadets are trained in basic military aspects like Physical fitness, Drill, Map reading, weapon training etc.
- ✓ The cadets are trained in basic military aspects like Physical fitness, foot drill and command, weapon training, field craft, civil defense, map reading etc. as well as Guard of Honour and Parades are given on 26th January and 15th August to commemorate the Republic Day and Independence Day of India.

## NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service like Women and child development, literacy related work, environmental protection, de-addiction campaign, health and sanitation, assistance to people suffering during emergency or natural disaster etc.. NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community (esp. Villages) linkage. At present there are 112 students of the University are registered in this scheme. Dr. Gajendra Singh Avsya is the Coordinator of this program in the University.

#### **Programme Objectives**

- ✓ To prepare students in the production aspects of Film, Television & New Media, as required by the present media environment all across globe.
- ✓ To empower the students in the production & managerial aspects of the media business with due emphasis on latest production techniques, along with marketing and branding management of various media products and associated services.
- ✓ To develop creative temperament and mindset needed in the content production segment of media industry.
- ✓ To inculcate competencies thereby enabling to undertake professional work.
- ✓ To provide an active industry interface by way of co-learning.
- ✓ To take the students through the entire pipe line of production process with regards to the content creation for various media pads, providing the students an insight in to the correlation that exists between content creation and associated commercial aspects of media business.

# DEPARTMENT OF CINEMA STUDIES

## Program Outcomes

- ✓ Good conceptual understanding of subjects including Communication, Film Production, Cinematography, Editing, Direction, Audiography & Research Methodology.
- ✓ Research and Reasoning aptitude for any strategic communication planning and execution of Film & Communication Studies programs.
- ✓ Creative and reflective thinking for ideation based on self learning & digital competency.
- ✓ Analytical and problem solving skill for challenging situations of the profession.
- ✓ Independently work with high competency and morality in Film Production in the roles of Script and Screenplay, Director and Researchers.

## Career Opportunities:

- ✓ Scriptwriting
- ✓ Cinematographer
- ✓ Creative Direction
- ✓ Digital Media Expert
- ✓ Film Communication
- ✓ Photographer
- ✓ Director
- ✓ Advertisement Film Maker
- ✓ Film Editor
- ✓ Audiographer
- ✓ Producer & Production Manager
- ✓ Research

# DEPARTMENT OF CINEMA STUDIES

## Post Graduates Program

### MASTER OF SCIENCE (FILM PRODUCTION) [MSC(FP)]

Master of Science in Film Production has been designed to enable students to become professionals in film-making. The course includes direction, screenplay writing, cinematography, sound design, recording, editing, VFX and SFX.

During two years of this curriculum, students are empowered with knowledge of the latest trends of the industry with the help of practical experience. They also get to learn from industry experts through special lectures.

Level - Postgraduate      Duration - 2 years (4 semesters)      Seats - 30

Eligibility - Applicant must be graduate in any discipline from recognised University.

#### About the Programme

Master of Science in Film Production has been designed to enable students to become professionals in film-making. The course includes direction, screenplay writing, cinematography, sound design, recording, editing, VFX and SFX.

During two years of this curriculum, students are empowered with knowledge of the latest trends of the industry with the help of practical experience. They also get to learn from industry experts through special lectures.

#### Program Outcomes

- ✓ To provide students deeper insight of film production with the creative mix of theory and applications.
- ✓ To enable students in developing expertise in film production.
- ✓ To equip students with the ability to conceptualise and analyse social, economic and technical aspects of film production.

#### Career path you can choose after the programme

- ✓ Film Direction
- ✓ Film Production
- ✓ Film Editing
- ✓ Art Direction
- ✓ Sound Engineer
- ✓ Film Appreciation

## DEPARTMENT OF COMPUTER SCIENCE & APPLICATIONS

The Department of Computer Science and Applications was established in year 1993 with the aim of developing professionals in main stream of Computer Science and Applications.

The department offers PhD program, and Postgraduate and undergraduate courses. The Department studies markets trends and new development in the area, conducts massive brain storming with leading academia and industry professionals to develop curricula.

The department is committed to provide excellence in teaching. It has a rich knowledge pool of well-trained faculty and a modern computer lab enabled to impart all required knowledge, along with its own library with latest books on various advanced areas in computers. Regular hands-on workshops are conducted to update students with the latest technology.

Many of the alumni are working in top companies like IBM, American Express Bank, Wipro, Infosys, Samsung, Microsoft, WorldPay, CISCO, HCL, Jindal, Web Dunia and more in India as well as abroad, apart from few also being entrepreneurs and some other, in academics with prestigious institutions.

## CORE FACULTY

**Dr. C.P. Agrawal**

Professor & Head

**Dr. Manish Maheshwari**

Professor

**Dr. Sunita Dwivedi**

Asso. Professor

**Dr. Manoj Pacharia**

Asso. Professor

**Ravi Mohan Sharma**

Asso. Professor

**Anil Saxena**

## Masters of Computer Application (MCA)

Level - Postgraduate      Duration - 2 years (4 semesters)      Seats - 60

Eligibility - Passed BCA/ Bachelor Degree in Computer Science Engineering or equivalent Degree. OR

Passed B.Sc./B.Com./B.A. with Mathematics at 10+2 Level or at Graduation Level (with additional bridge Courses). Must have obtained at least 50% marks (45% marks in case of candidate belonging to reserved category) in the qualifying Examination.

### About the Programme

Master of Computer Applications (MCA) is a two years post graduate program approved by AICTE. The curriculum of MCA is designed to meet the growing demand of qualified professionals in the field of ICT. It comprises of the core subjects like database, networking, data structure, core programming languages like C, C++, .NET and Java. Students also get exposure to advanced topics like cyber security, mobile software, IOT, data science etc. Elective papers help students to have an exposure in Cloud Computing, Big Data and Information Security related subjects.

### Programme Objectives

- ✓ To empower students with basic skills of various technologies.
- ✓ To develop the ability to identify, analyse, formulate and develop computer applications.
- ✓ To enable the students to select modern computing tools and techniques and use them with dexterity.

**If you are looking for challenging roles in the IT industry, computer science research, web and mobile development, data analysis, information security etc., this program is for you.**

### Career path you can choose after the programme

- |                      |                            |
|----------------------|----------------------------|
| ✓ Software Developer | ✓ Database Administrator   |
| ✓ Programmer         | ✓ Systems Administrator    |
| ✓ Systems Analyst    | ✓ Web Designer & Developer |
| ✓ Computer Support   | ✓ Network Administrator    |
| ✓ Engineer           |                            |

## DEPARTMENT OF COMPUTER SCIENCE & APPLICATIONS

### BACHELOR OF COMPUTER APPLICATIONS (BCA) HONORS

Level - Undergraduate    Duration - BCA(Hons) 3 or 4 years (6 or 8 semesters)    Seats - 60

Eligibility - Passed 10+2 from recognized Board.

#### About the Programme

Bachelor of Computer Application (Honors) program is based on “National Education Policy (NEP) 2020”, which is set to bring drastic changes in the education system of the country. Flexible degree options, subject combination, unique entry / exit options have been implemented in higher education. Fast growing information technology and communication systems have become critical components of almost every company's plan. All the companies leverage on the new information technologies and communication systems require expert professionals, who can apply computer science principles to solve problems and to interface between business and technology.

This six or eight semester long undergraduate program creates skilled, adaptable graduates who are able to design computer-based solutions to address the need of various industry, commerce, science, entertainment and the public sector.

In this program students are exposed to foundations of computers & IT as well various languages for computer applications development including the latest developments in the industry so that students develop themselves as an application software developer for Desktop, Network based, Web based or mobile applications.

#### The following exit or entry options available in BCA(Honors) programme

After Completion of	Students can obtain Certificate/Diploma / Degree (Hons) accordingly
1 Year	Certificate in Computer Operations
2 Years	Diploma in Computer Programming and Applications
3 Years	Bachelor of Computer Application (3 years)
4 Years	Bachelor of Computer Application (Hons with Research) (4 years)

#### Programme Objectives

- ✓ To enable students to have a holistic and all-round Career path you can choose after the program grooming to be a thorough professional in the field of IT.
- ✓ To enable the ability to develop software solutions to problems across a broad range of application domains through analysis and design.
- ✓ To develop the ability to understand and analyze a given real-world problem and propose feasible computing solutions
- ✓ To develop business analyst who analyze customer requirements, create high level design, implement and document robust and reliable software systems for Desktop / Network / Web / Mobile environment.
- ✓ To develop professionals who are able to use the techniques, skills and modern hardware and software tools necessary for development of innovative software solutions

#### Career path you can choose after the programme

- ✓ Computer Programmer
- ✓ Software Developer
- ✓ Web Developer
- ✓ Multimedia developer
- ✓ DTP Publisher
- ✓ Web Designer
- ✓ Network Administrator
- ✓ System Manager
- ✓ Software Tasting
- ✓ Attain the higher study like MCA.

## DEPARTMENT OF MANAGEMENT

The Department of Management was established in the year 2010 with an objective of inculcating media and managerial qualities among students and committed to provide excellence in teaching. The department introduces students to concepts of Development, Planning, Functioning, Media Marketing and Brand building of Media Enterprises.

The Department is focusing on training students in terms of developing an understanding on how various functions such as Production, Marketing, Human Resources, Finance and Operations are run at a Media house and also to start their own Media business to become an Entrepreneur. The Department is offering courses with specialization in Entertainment communication, Advertising and Marketing communication, Corporate communication and E-Commerce.

The Department has a rich pool of knowledge and well qualified faculty members. The curriculum has been designed after regular interaction and inputs from leading academia and industry professionals, keeping the future of the corporate sectors in mind.

## CORE FACULTY

**Prof. (Dr.) Avinash Bajpai**

Professor & Head

**Prof. (Dr.) Kanchan Bhatia**

Professor

**Dr. Kapil R. Chandoriya**

Asst. Professor

**Manisha Varma**

Asst. Professor

**Prashant Parashar**

Tutor

## DEPARTMENT OF MANAGEMENT

### **Master of Business Administration (Media Business Management) MBA(MBM)**

Level - Postgraduate      Duration - 2 years (4 semesters)      Seats - 60

Eligibility - Graduate in any Discipline from a Recognized University with min 50% marks  
( 45% for SC/ST and OBC)

#### **About the Programme**

This course is designed after assessing the future needs and trends to give an understanding of the Basic functions of Management, such as Financial management, Space selling, Marketing management, Business Operations, Human Resource Management and alike. After the course completion, the students may be placed in Media organizations at Managerial posts. Apart from this, they can start their own Media Business and become an Entrepreneur

#### **Programme Objectives**

- ✓ To inculcate among students overview of Media and introduce them to the environment of Media Industry and its Management
- ✓ To provide an opportunity to enroll students to learn the advanced level of many processes involved in Media products and services and also various aspects of Business Management.
- ✓ To enable students with an understanding of various aspects of Entertainment, Advertising, E commerce and Media Industries.

**If you are interested in pursuing a career in the ever-dynamic Media Industry ,to create innovative Digital concepts ,and use skills and technology to help a company grow then this Programme is for you.**

#### **Career path you can choose after the programme**

- ✓ Media Strategist
- ✓ Marketing Analyst
- ✓ Marketing Manager
- ✓ Media Manager
- ✓ TV Producer
- ✓ Digital Media Manager
- ✓ Corporate Communication Manager
- ✓ Public Relation Officer

## DEPARTMENT OF MANAGEMENT

### **Bachelor of Business Administration (E-COMMERCE) BBA(EC)**

Level - Undergraduate    Duration - 3 years (6 semesters)    Seats - 40

Eligibility - Passed Higher Secondary Certificate Examination (10 + 2) or equivalent examination from recognized board in any subject.

#### **About the Programme**

This unique graduation program is designed to enhance technical and basic knowledge of Technology and Managerial applications among students. E - Business Management is a fast emerging sector in today's scenario which requires knowledge of online trading along with knowledge of Management skills, Marketing, HRM, Finance, Research, Strategic Management etc. In this course the need of e-commerce industry is fulfilled so that students not only get employment in prestigious companies in the area of Supply chain management, Customer relations, Online store management but also can become successful Entrepreneur.

#### **Programme Objectives**

- ✓ To introduce students with functioning of E-Commerce industry and instructs them in the genesis, history, structure and infrastructure of this revolutionary way of conducting trade.
- ✓ To enhance their knowledge in Database, Marketing, Financial Accounting, Marketing Research, Strategic Management, Advertising and Sales promotion, Supply Chain Management and Logistics.
- ✓ To help the students to understand E-Commerce process models and Electronic Payment Systems.
- ✓ This course can also inspire students to plan start-ups and envision strategies of growth and sustained Business Development.

#### **Career path you can choose after the programme**

- ✓ Media Industry
- ✓ Advertising
- ✓ Entertainment Industry
- ✓ PR executives
- ✓ Service Industry
- ✓ Corporate Industry
- ✓ E commerce Industry
- ✓ Government sector
- ✓ Entrepreneur

## DEPARTMENT OF MANAGEMENT

### BACHELOR OF COMMERCE – MANAGEMENT (HONOURS)

Level - Graduation      Duration - 4 Years ( 8 Semesters)    Seats - 30

Eligibility - Passed Higher Secondary Certificate Examination (10+2) or equivalent examination from recognized board in any subject.

#### About the Programme

B.Com. Honours (Management) is a four year programme under NEP, offered by the Department of Media Management of MCNUJC. This programme is a unique blend of Accounting, Finance, Management and Marketing. The B.Com. Programme is designed to inculcate a strong foundation of the functioning of business organisations, commercial transactions and various specialised operations such as accounting, finance, marketing and human resource by offering a comprehensive curriculum.

The B.Com. Programme aims at instilling conceptual and practical understanding to equip students to manage businesses and organisations, and prepares them to meet the industry's demands. The Commerce education also opens further avenues in academic as well as professional fronts. Courses like M. Com, MBA, etc. can be pursued after completing this four years Bachelor's degree. Having completed the commerce education, students can choose a career of academics or business professional.

**The following exit or entry options available in B.Com. - Management Honours) Management programme**

After Completion of	Students can obtain Certificate/Diploma / Degree (Hons) accordingly
1 Year	Certificate in Commerce
2 Years	Diploma in Commerce
3 Years	Bachelor of Commerce (3 years)
4 Years	Bachelor of Commerce (Hons with research) (4 year)

#### Programme Objectives

- ✓ To promote understanding of the issues confronting the business world and the economy as a whole.
- ✓ To instil in the students the knowledge and capability of understanding the business world and its complexities.
- ✓ To inculcate an attitude and character that will help students evolve into sensitive and technically sound future business leaders that aims at enhancing employability options of the students.
- ✓ Demonstrate high standards of academic and professional integrity.
- ✓ After completing this course, students would gain a thorough grounding in the functional areas of Commerce & Trade.

#### Career path you can choose after the programme

- ✓ Chartered Financial Analyst (CFA)
- ✓ Financial Risk Management
- ✓ Business Analyst
- ✓ Digital Marketer
- ✓ Banker
- ✓ Manager
- ✓ Business Accounting and Taxation

# DEPARTMENT OF NEW MEDIA TECHNOLOGY

Department of New Media Technology is the first of its kind in India, established in the year 2011, as part of Media Studies, to facilitate and promote the converging technologies in Media and Communication sector. The vision of the New Media Technology Department is to identify, understand and impart, New Media based Content and Technology, through its courses, create digital content productions for learning, and organize training programs regularly. The Department offers 3 Undergraduate Programs including B Sc: MM (Honors)/ (Research) as per NEP 2020, B.Sc. (Graphics and Animation), B. Tech. (Printing and Packaging) and a Postgraduate Program M.Sc. (New Media). It is one of the creative Departments, that caters to the converging needs of the media and communication industry. It was recognized with a motive to introduce, adapt and elevate the students in using the new technologies in media & communication. The Department has core group of experienced faculty members from media, technology and professionals from new media organizations. The department regularly conducts hands-on workshop on demanding technologies like Visual Design, Information and Cyber Security, Fact Checking, Data Journalism, Internet of Things, etc. It has a Multimedia lab assisted by Industry experienced technical assistants, with latest hardware and software tools. The Printing and Packaging Lab, has unique setup for student R&D activities, where students design and fabricate working models of printing and packaging machines on their own. The Department Library and Digital News Room open up more opportunities for Students to enhance their knowledge. The Alumni of this department are known for their entrepreneurship skills, having their startups PAN India. Many alumni students are working as Content Creator, Animators, Graphic Designers, Video Editors, Research Analysts, Assistant Directors in DQ Entertainment, Xiaomi, CRISP Multimedia, VisionForce, Pristine, Harbour Politica, Spectramind Films, Kangenium Creatives, CG\_Crafters, Animatrix, Oasis Animation, Accenture, Digital Media Platforms of Inshorts, ZEE TV, India TV, ETV, Department of Public Relation MP, UP, Bihar, Dainik Bhaskar etc.

## PROGRAMS OFFERED FOR ACADEMIC SESSION 2022-2023

1. M.Sc. (New Media)
2. Bachelor of Science: Multimedia (Honors)/ (Research)
3. B.Sc. (Graphics & Animation)
4. B. Tech.(Printing & Packaging)

## DEPARTMENT OF NEW MEDIA TECHNOLOGY

### Master of Science (New Media) MSc.(NM)

Level - Postgraduate      Duration - 2 years (4 semesters)      Seats - 30

Eligibility - Graduation in any discipline from a recognized university

#### About the Programme

M.Sc. (New Media), 2-year (four semesters) post-graduate program with its own strength and unique features in New Media studies. The program is designed with Choice Based Credit System (CBCS) scheme. The media industry is changing rapidly from traditional media to web-based, interactive and digital media as a result of increasing growth and transformation in digitalization, internet connectivity and social media. The increasing scope of New Media in the fast emerging digital world and the new media organizations requirement for online media specialists to engage audiences leads to the need for shaping up of M.Sc. New Media.

M.Sc. (NM) Program provides clear understanding in New Media Content Design & Generation, Layout, Editing and Publishing for Digital Platforms. The Program Structure and Content emphasize on understanding Online Media, along with the exposure to Data Journalism, New Media Research, Big Data Analytics and technical skills required to create, analyze, present, and deliver content for contemporary New Media.

The courses enable the students to use technology for New Media content production independently, integrating the content for different mediums and marketing for distribution. With these skills, the student can excel as an employee or entrepreneur for his/her own business platform.

#### Programme Objectives

- ✓ **M.Sc. (New Media) program is designed with the following educational objectives**
- ✓ To inculcate the basics of New Media Communication and Technology, along with skills for Data Analytics, Web, Social Media and Mobile Journalism.
- ✓ To make the Students ready for Digital Media Industry.
- ✓ To understand theoretical, practical and technical aspects of New Media Content and Critical Thinking.
- ✓ To empower the Students into skilled professionals for New Media Content Creation, Publishing and Marketing.
- ✓ To prepare the Students to work as Entrepreneurs Professionals, Researchers, as individual or in team, with Media & Professional Ethics.

#### Career path you can choose after the programme

- ✓ Content Editor
- ✓ Content Writer
- ✓ Graphic Designer
- ✓ Online News Producer
- ✓ Online Journalist
- ✓ Technical Editor
- ✓ Social Media Analyst
- ✓ Data Analyst & Visualiser
- ✓ New Media Research
- ✓ Entrepreneur

## DEPARTMENT OF NEW MEDIA TECHNOLOGY

### Bachelor of Science : Multimedia - BSc:MM(Honors)/(Research)

Level - Undergraduate    Duration - 3 + 1 years (6 or 8 semesters)    Seats - 40 Regular

Eligibility Criteria- 12<sup>th</sup> (Passed 10+2 exams in any discipline from a recognized board)

#### About the Programme

B Sc: MM (Honors)/ (Research) is based on “National Education Policy (NEP) 2020”, which is set to bring drastic changes in the education system of the country. Flexible Degree options, Interdisciplinary Subject choices, unique exit options have been implemented as per the new education policy. This Six or Eight semester undergraduate program, introduces a solid foundation about multimedia and its various application areas. Multimedia will help to improve computer/mobile penetration and increased internet connectivity in various spheres of life. The various formats of technological or digital multimedia aims at enhancing the users' experience by conveying information easier and faster

The Programme has compulsory core courses and elective core courses including Aesthetics and Technicality of Design, Foundational Components of Multimedia, Editing of Image, Audio and Video, 2D & 3D Animation, Digital Photography, Visual Effects, Visualization of Data, Web Technology, Writing for New Media, E- Publishing and Entrepreneurship Management. Animation for Gaming, AI and Robotics, Augmented and Virtual Reality (AR/VR), Visual Effects (VFX), UI and UX, Big Data, Data Analytics for Journalism, Social Media Analytics, Cyber Security, Search Engine Optimization and Digital Marketing in addition to other courses. This program is highly recommended for students who are creative and desire state-of-the-art skills in multimedia content creation, or interested in pursuing Research in Multimedia.

#### The following exit options are available in B Sc: MM (Honors)/ (Research)

After Completion of	Students can obtain Certificate/Diploma/Degree/Degree with Honors or Research accordingly
1 Year	Certificate in Multimedia
2 Years	Diploma in Multimedia
3 Years	B.Sc. in Multimedia
4 Years	B Sc : Multimedia (Honors) OR B.Sc : Multimedia (Research)

#### Programme Objectives

B.Sc. Hons in Multimedia program is designed with the following educational objectives

- ✓ To provide modular inputs related to Multimedia Content and Technologies.
- ✓ To understand the essentials of Mass Communication, and the Visual Design and Technical aspects of Multimedia components in Communication.
- ✓ To develop Digital Content Production skills, applicable for media and entertainment industry.
- ✓ To develop the technical skills and ethical sense, necessary for producing multimedia content.
- ✓ To develop research and analytical skills for internet based media content like Big Data.
- ✓ To have understanding of interdisciplinary exposure through Generic Elective courses.

#### Career path you can choose after the programme

- ✓ Graphics Designer
- ✓ Photo Journalist
- ✓ Video Editor
- ✓ Animator
- ✓ Content Editor
- ✓ Social Media Manager
- ✓ Web Designer
- ✓ Graphics Artist
- ✓ Visual Content Creator and many more

## DEPARTMENT OF NEW MEDIA TECHNOLOGY

### **Bachelor of Science in Graphics & Animation - B.Sc. (GA)**

Level - Undergraduate    Duration - 3 years (6 Semesters)    Seats -40

Eligibility - 10+2 level from a Recognized Board

#### **About the Programme**

B.Sc. (Graphics & Animation) is a Three year (Six Semesters) Undergraduate programme that prepares a Student to work for the Digital Media industry as a creator of Graphics and Animation content, while working on convergence of elements like Text, Graphics, Audio, Video and Animation.

The Programme has compulsory and elective core courses including Aesthetics and Technicality of Design, Foundational Components of Multimedia, Editing of Image, Audio and Video, 2D & 3D Animation, Graphics Design, Visual Communication & Media, Game Design, Graphics Design for Gaming, Video Editing, Augmented and Virtual Reality, 3D Design with MAX, 3D Design with MAYA, Visual Effects, Animation for New Media, and UI/UX Design in addition to other courses.

This programme is highly recommended for students who are creative and focused to upgrade their skill set for Graphics and Animation content creation. The content developed helps better understanding and improved human communication in day to day life, at professional and personal space.

#### **Programme Objectives**

B.Sc (Graphics & Animation) program is designed with the following educational objectives

- ✓ To inculcate Art, Aesthetics and Technology of Graphics and Animation elements in Students.
- ✓ To equip the Students with skills for Digital Media Content Development, ranging from Graphics Design for Gaming to Advertising for New Media.
- ✓ To make the Students understand the theoretical aspects of Graphics and Animation and develop the practical ability for Content creation, Editing and Visual Effects.
- ✓ To empower the Students to work as trained professional for Online Platforms, with the capability of Social Media Analytics.
- ✓ To prepare the Students to become, Entrepreneur creating Employability, Professional with Media Ethics and Researcher questing for New Dimensions of Societal issues.

#### **Career path you can choose after the programme**

- |                      |   |
|----------------------|---|
| ✓ Graphics Designer  | ✓ Social Media Manager                                |
| ✓ Game Designer      | ✓ Web Designer  |
| ✓ Animation Artist   | ✓ Motion Graphics Designer                            |
| ✓ 3D Animator        | ✓ VFX Professional                                    |
| ✓ Photo Journalist   | ✓ Assistant Directors in Television and Film Industry |
| ✓ Video Editor       | ✓ Search Engine Optimizer                             |
| ✓ Content Designers, | ✓ Visual Content Creator and                          |
| Content Writers,     | many more   |
| Content Editors      |   |

## DEPARTMENT OF NEW MEDIA TECHNOLOGY

### **Bachelor of Technology in Printing and Packaging - B.Tech.(PP)**

Level - Undergraduate

Duration - 4 years (8 Semesters) Seats -30

#### **About The Program:**

B. Tech. (Printing and Packaging) is a four year (Eight Semesters) Undergraduate programme that prepares a Student to work in Print Packaging Industry. An increased focus in digital packaging, has led to digitally printed packaging opportunities and commercial digital printers looking to establish packaging operations. But lack of trained manpower is one of the biggest issues to be addressed.

Keeping this in view, the University offers B. Tech. (Printing and Packaging) in response to a growing demand for trained Printing and Packaging professionals. This Program provides a comprehensive practical exposure in all aspects of printing and packaging processes.

The Program content includes Printing and Packaging Technologies & Processes including Screen printing, Sheet fed offset printing, Flexography, Gravure, Web offset aided with Multimedia Technology, Graphics design for Printing and Packaging, Surface Design, Material Science to help in production and quality control as well as to form creative packaging and Print Output, Digital Printing technique includes a basic know how to print on electronics product, Introduction to Augmented and Virtual Reality, Food and Agriculture based packaging, Techniques to print on fabrics, 3D Design for 3D Printing etc.

The Printing and Packaging Lab, has unique setup for student R&D activities, where students design and fabricate working models of printing and packaging machines on their own. Facilities are created in the department to provide complete practical exposure to the students along with working opportunity in University Press.

#### **Programme Objectives**

B.Tech. (Printing & Packaging) program is designed with educational objectives

- ✓ To develop basic Engineering skills in Students.
- ✓ To understand the basic concepts and techniques used in printing technology, and to develop skills to deal with high-quality printing machines.
- ✓ Equip Students with knowledge of Flexible Packaging, Packaging Design, Element of Packaging.
- ✓ To enable Students in designing products, practice packaging tools used in various sectors like newspaper, magazines, and packaging industries.
- ✓ To make industry ready Technical workforce for Print Packaging Sector.
- ✓ To inculcate the quality of an entrepreneur in Print Packaging industry.

**Eligibility Criteria-** Passed 10+2 examination with Physics/ Mathematics/ Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/ Entrepreneurship. (Any of the three)

Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

OR

Passed min. 3 years Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.

(The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to achieve desired learning outcomes of the programme)

## **Bachelor of Technology in Printing & Packaging- B.Tech. (PP) Lateral Entry**

Level - Undergraduate

Duration - 3 years (6 Semesters) Seats -30

**Eligibility Criteria-** Passed Minimum THREE years / TWO years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology.

OR

Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.

OR

Passed D. Voc. Stream in the same or allied sector

### **Career path you can choose after the programme**

- ✓ Production Officer
- ✓ Technical Sales Manager and Officer
- ✓ Product Development Manager
- ✓ Manager Printing
- ✓ Publication officer in the printing and packaging industry
- ✓ Career in Designing and Digital Printing
- ✓ Security Printing
- ✓ Publication Officer in Printing Industry
- ✓ Electronic Publishing,
- ✓ Color Management
- ✓ Print Finishing and Converting
- ✓ Entrepreneur

## DEPARTMENT OF MEDIA RESEARCH/COMMUNICATION RESEARCH

Department of Communication Research was established in 2014 to meet out the rising needs of trained research professionals for Media Research, Advertising Research, Marketing Research, Social Media Research, Cinema Research, Digital Media Research and so on. The students enrolled are imparted theoretical as-well-as practical knowledge about Communication research Methods.

The department runs courses of M. Sc. (Media Research) and Ph. D. (Course work) respectively. It aims to provide best curriculum to students and train them. The department holds core committed faculty members from Communication, Media and Media Research. Stalwarts of media research are invited time to time to share their expertise with students.

The department is equipped with latest computer lab along with software like SPSS and a reference library well stocked with Books, Research Journals, Current Affairs Magazines, Newspapers and e-books too. Regular workshops, Seminars and Invited talks are organized on media and interdisciplinary research and interaction with personalities of media and communication research. Students are encouraged for field research.

The programme boasts Alumina working with research organizations, channels, newspapers and topmost Universities.

**Prof. (Dr.) Monika Verma**

Professor & Head

## Master of Science (Media Research) Msc. (MR)

Eligibility - Graduation in any discipline and selection on merit basis of University Entrance Test

The two year course has been designed to prepare Media Research professionals for the field of Print, Electronic and New Media Research. Enrolled budding researchers are imparted research related methodological flare-up and are made proficient in SPSS, Survey studies, monitoring Social Media content and trend studies. Students are trained for Research, Marketing Research, Advertising Research, Testing etc.

- ✓ To Impart Media Research.
- ✓ To impart intensive knowledge about Media Research Designs, Media Research methods, New Media Research, Political Communication Research and also emerging trends in Media Research.
- ✓ To enhance skills of research practices by practicing research activities like Tool Designing, Case Study, and Content Analysis.
- ✓ To impart a versatile nature of Media Research by familiarizing students with research on media, marketing, politics, audience and opinion making, in past and present scenario.

- ✓ Researcher
- ✓ Research project manager/team leader
- ✓ Researcher in Public Relations/Advertising Agencies
- ✓ Research in television news channels
- ✓ Data journalist/Data analyst
- ✓ Researcher in NGO
- ✓ Web Content Analyst
- ✓ Web Data Mining
- ✓ Social Media Analyst
- ✓ Media Consultant
- ✓ Business Analyst
- ✓ Media Entertainment Analyst
- ✓ Political Communication Analyst

## DEPARTMENT OF LIBRARY & INFORMATION SCIENCE

Library and Information Science is an act of managing, maintaining and preserving information using sources of information technology and education. The Department of Library and Information Science was established in the year 1993. The Department offers Undergraduate programme BLIS (Bachelor of Library and Information Science) a one year degree programme and a Postgraduate programme MLIS (Master of Library and Information Science) a one year Postgraduate full-time degree programme, both aim to impart education and training to develop manpower capable to manage Libraries and Information centers effectively and efficiently with professional attitude and values. The department has a well equipped computer lab and departmental library.

### CORE FACULTY

**Dr. Arti Sarang**

Asso. Professor & Head

**Dr. Vijay Anand**

Assistant Librarian

**Santosh K**

Library Assistant

## DEPARTMENT OF LIBRARY & INFORMATION SCIENCE

### BACHELOR OF LIBRARY & INFORMATION SCIENCE (BLIS)

Level - Undergraduate    Duration - 1 year (2 semesters)    Seats - 20

Eligibility - Graduate in any discipline from recognized University

#### About the Programme

In BLIS course students are taught various aspects of Library Science including acquisition, processing, management, maintenance and preservation of information using sources of education as well as information technology.

#### Programme Objectives

- ✓ To enable the students to understand Librarianship as a profession and provide students strong academic knowledge and professional skills to enable them to excel in the profession.
- ✓ To develop the skills to manage the electronic libraries in digital environment and to provide the advance skill in computer and its application in library and information activities.

#### Career path you can choose after the programme

- ✓ Librarian in various institutions like Schools, Colleges, Universities, Museums etc.
- ✓ Reference Librarian
- ✓ Information Archivist
- ✓ Information Analyst
- ✓ Cataloguer
- ✓ Indexer
- ✓ Information Officer
- ✓ Library Science Teacher

## REWA CAMPUS

Rewa Campus has been established to innovate and contribute in excellence of Teaching, Training and Research of Journalism and Mass Communication and Computer Application discipline to develop excellent Media professionals with Social Commitment.

The Rewa Campus is envisioned as to render meaningful contribution in Education of Media and Computer application and thus has entirely an independent existence of Centre of Professional Excellence. Rewa Campus is envisaged as an independent campus to Contribute towards the all round development of aspirational youths who dream to be groomed as Modern Professionals of Media and Computer Application streams.

The very architecture and design of the campus communicate the higher ideals of Professional Education .The state of the art of Rewa campus is fully equipped with Modern amenities, facilities and ample infra structure to shape Educational Experience of students into overall transformation their capacities, Perspective and creativity who come from across the all parts of country .

This campus is charged with zeal and energy to ameliorate the potential of students so that they identify a distinctive role with full developed skill sets and perspective to contribute towards a broader dream of Nation building. The 05 acre fully developed campus is dedicated to Media and Computer Education to ensure broader social well being and overall progress. The Campus has several plans to engage in grass root communication to initiate a new stream of Rural Journalism. The campus is running following programmes :-

1. MASTER OF ARTS MA(J)
2. MASTER OF ARTS (MASS COMMUNICATION) [MA(MC)]
3. MASTER OF SCIENCE (ELECTRONIC MEDIA) [MSc(EM)]
4. BACHELOR OF ARTS (MASS COMMUNICATION) BA(MC) (Hons.)
5. BACHELOR OF COMPUTER APPLICATION (BCA) (Hons.)\
6. BACHELOR OF SCIENCE (ELECTRONIC MEDIA) (HONORS) B.Sc (EM)
7. POSTGRADUATE DIPLOMA IN RURAL JOURNALISM (PGDRJ)
8. POSTGRADUATE DIPLOMA IN COMPUTER APPLICATION (PGDCA)
9. DIPLOMA IN COMPUTER APPLICATION (DCA)

## CORE FACULTY

**Dr. Brijendra Shukla**

Academic Coordinator

**Dr. L.B. Ojha**

Asst. Professor

**Mr. Suryapraksh**

Asst. Professor

**Mr. Ravi Sahu**

Asst. Professor

## MASTER OF ARTS MA(J)

Level - Post Graduate    Duration - 2 years (4 semesters)    Seats - 25

Eligibility - Applicant must be graduate in any discipline from recognized University

### About the Programme

Print media has a very important role in our lives. The print media is very effective to know about national and international happenings, to analyse them and to be aware of public issues and problems. ## Bachelor of Arts Honours (Mass Communication) BA(HONS)MC

Level - Graduation with Honours

Duration - 3+1 years (8 semesters) Seats - 30

Eligibility Criteria: Passed Higher Secondary Certificate Examination (10+2) or equivalent examination from recognized board in any subject.

### About the Programme

BA(Hons)MC programme is based on “National Education Policy (NEP) 2020”. Multiple entry and exit options with appropriate certifications are introduced in this programme. This programme is intended to provide a broad learning framework within which Mass Communication, Journalism and the human capital programs respond to needs of the dynamic Media and Entertainment Industry (M & E Industry). It aims to prepare professionals with ability to meet the challenges and pursue successful careers in varied fields of Media and Entertainment Industry. This programme aims at creating understanding of the core concepts of communication, the knowledge of new communication technologies and the responsibility towards society.

### Programme Objectives

- ✓ To impart students an understanding of the mass communication and to develop them into socially responsible Media Professionals, Researchers, Academicians with Global vision.
- ✓ To develop the learner into competent and efficient Media & Entertainment Industry-ready professional.
- ✓ To impart Information Communication Technologies (ICTs) skills, including Digital and Media Literacy and competencies.
- ✓ To encourage quality academic research and provide access to holistic and multidisciplinary education to the students.
- ✓ To imbibe the Culture of Research, Innovation, Entrepreneurship and Incubation.

### The following are the Entry and Exit options available in this Programme:

After completion of	Students can obtain “Certificate/Diploma/Degree(Hons)/Degree(Hons) with Research” accordingly
1 year	Certificate in Mass Communication
2 years	Diploma in Mass Communication
3 years	Bachelor of Arts in Mass Communication (3 years)
4 years	Bachelor of Arts(Hons) in Mass Communication with Research (4 years)

### Career path you can choose after completion of this Programme:

- |                    |                            |                        |
|--------------------|----------------------------|------------------------|
| ✓ Journalist       | ✓ Photo journalist         | ✓ News Agencies        |
| ✓ Producer         | ✓ Event Manager            | ✓ Advertising Agencies |
| ✓ TV Correspondent | ✓ Critic                   | ✓ NGOs                 |
| ✓ Radio Jockey     | ✓ Public Relations Officer | ✓ Researcher           |
| ✓ Editor           | ✓ Content writer           |                        |

## Bachelor of Computer Applications (BCA) HONORS

Level - Undergraduate Duration - BCA (Hons) 3 or 4 years (6 or 8 semesters)      Seats - 30

Eligibility-Passed 10+2 from recognized Board.

### About the Programme

Bachelor of Computer Application (Honors) program is based on “National Education Policy (NEP) 2020”, which is set to bring drastic changes in the education system of the country. Flexible degree options, subject combination, unique entry / exit options have been implemented in higher education. Fast growing information technology and communication systems have become critical components of almost every company's plan. All the companies leverage on the new information technologies and communication systems require expert professionals, who can apply computer science principles to solve problems and to interface between business and technology. This six or eight semester long undergraduate program creates skilled, adaptable graduates who are able to design computer-based solutions to address the need of various industry, commerce, science, entertainment and the public sector. In this program students are exposed to foundations of computers & IT as well various languages for computer applications development including the latest developments in the industry so that students develop themselves as an application software developer for Desktop, Network based, Web based or mobile applications.

### Programme Objectives

- ✓ To enable students to have a holistic and all-round Career path you can choose after the program grooming to be a thorough professional in the field of IT.
- ✓ To enable the ability to develop software solutions to problems across a broad range of application domains through analysis and design.
- ✓ To develop the ability to understand and analyze a given real-world problem and propose feasible computing solutions
- ✓ To develop business analyst who analyze customer requirements, create high level design, implement and document robust and reliable software systems for Desktop / Network / Web / Mobile environment.
- ✓ To develop professionals who are able to use the techniques, skills and modern hardware and software tools necessary for development of innovative software solutions

### The following exit or entry options available in BCA(Honors) programme

After Completion of	Students can obtain Certificate/Diploma / Degree (Hons) accordingly
1 Year	Certificate in Computer Operations
2 Years	Diploma in Computer Programming and Applications
3 Years	Bachelor of Computer Application (3 years)
4 Years	Bachelor of Computer Application (Hons with Research) (4 years)

### Career path you can choose after completion of this Programme:

- |                        |                         |                                     |
|------------------------|-------------------------|-------------------------------------|
| ✓ Programmer           | ✓ DTP Publisher         | ✓ Computer Programmer               |
| ✓ Software Developer   | ✓ Web Designer          | ✓ Attain the higher study like MCA. |
| ✓ Web Developer        | ✓ Network Administrator |                                     |
| ✓ Multimedia developer | ✓ System Manager        |                                     |

## BACHELOR OF SCIENCE (ELECTRONIC MEDIA) (HONORS) B.Sc (EM)

Level - Undergraduate	Duration - 3 years (6 semesters)	Seats - 40
Eligibility Criteria -Passed Higher Secondary Certificate Examination (10+2) or equivalent examination from recognized board in any subject.		

### About the Programme

This undergraduate programme imparts introductory theoretical and practical knowledge required for the production and operation of various mass media such as television, radio and online media. Students can acquire technical and professional skills required in electronic media. After completing the programme, students can pursue a career in this field as a skilled professional. Students can develop content creatively and present it technically in television, radio and online media and entertainment sector. After this programme, students can get admission in post graduation programme for specialization after completing graduation in this programme.

### Course Objectives

- ✓ To impart skills for camera operation, reporting, editing, anchoring and special programme production for television, radio and online media.
- ✓ To provide introductory knowledge of production, management and operation in electronic media institutions.
- ✓ To develop an analytical understanding about mass media and its interrelations with society.
- ✓ To enhance understanding and analytical perspective about regional, national and international contemporary issues.

If you have a nose for news, have good writing skills and wish to make a career in this challenging field of news writing and move on, this programme is for you.

### Career path you can choose after the course :

- ✓ Reporter, copy editor, editor for radio and television channels.
- ✓ Voice over artist, radio jockey, news anchor.
- ✓ Producer for promos, documentaries and short films.
- ✓ Camera person, video editor, panel and broadcast producer.
- ✓ Freelance journalist / producer, entrepreneur in innovative media startup.

# Post Graduate Diploma in Rural Journalism (PGDRJ)

Level - Post Graduate Diploma	Duration - 1 Year (2 Semester)	Seats - 20
Eligibility - Applicant must be graduate in any discipline from recognized University		

## About the Programme

Pedagogy of the programme will be entirely field based on practicals and applications based learning and teaching . Programme will enable students to produce and present News reports , articles, videos , community radio programmes, audio clips, and reports for a creative intervention in the society.

## Programme Objectives

- ✓ To develop student's understanding, sensitivity and perspective on rural society so that they could report, analyze and engage in meaningful intervention to contribute towards the integral development of the rural society.
- ✓ To acquaint the student with the working of different media like Print, Electronic & New Media.
- ✓ To develop Research aptitude, attitude and research skills to understand Media and to make use of them.
- ✓ To develop writing skills needed for News papers, Magazines, Radio, T.V. and web Journalism in different formats.
- ✓ To develop understanding perspective on the role, function and impact of Media in society.
- ✓ Specific Focus on hands on learning
- ✓ Specific Focus on works produced by students
- ✓ Focus on Assessment that evaluates students on the basis of assignments , projects, different kind of writings and productions

## Career path you can choose after the programme

✓ Reporters and Feature Writer, Columnists	Professional, Manager of	Writer and Freelancers
✓ Political Analyst, Media Advisor and Media Educators	✓ Development Programme, Rural Health Professional, Rural Environment	✓ Film Maker, Blogger Web Professional,
✓ Development Journalist, Development Communication	✓ Protection Professional, Rural Capacity Development Professional	✓ Community Radio Professional,
	✓ Copy Writer, Feature	✓ Woman and Child Health Professional

## Post Graduate Diploma in Computer Application (PGDCA)

Level - Post Graduate Diploma    Duration - 1 Year (2 Semester)    Seats - 40

Eligibility - Applicant must be Graduate in any discipline from recognized University

### About the Programme

The broad objective of the Post Graduate Diploma in Computer Applications (PGDCA) programme is to prepare graduate students for careers in software industry. The programme's thrust is on giving the students a thorough and sound background in theoretical and application-oriented courses relevant to the latest computer software development. The programme emphasizes the application of software technology to solve mathematical, computing, communications/networking and commercial problems.

### Programme Objectives

- ✓ It has been designed with the semester approach in mind. The programme is aimed at skill development in computers using various technologies.
- ✓ It prepares the student to aim for a programmer level/web developer in a software company to design and develop small business application software or lab personnel/technician in institutions or a freelancer to develop software projects.

### Career paths you can choose after the programme

After Completing programme various job opportunities open automatically. A PGDCA holder becomes eligible to work both in government as well as private firms.

- |             |            |              |
|-------------|------------|--------------|
| ✓ Banking   | ✓ Health   | ✓ Research   |
| ✓ Insurance | ✓ Aviation | ✓ Technology |

## Diploma in Computer Application (DCA)

Level - Diploma

Duration - 1 Year (2 Semester)

Seats - 40

Eligibility - Passed Higher Secondary Certificate Examination (10 + 2) or equivalent examination from recognized board in any subject

### About the Programme

Diploma in Computer Applications is a one-year diploma program that aims to make students study computer applications in depth in a shorter period of time. The DCA program imparts scientific, practical and technical knowledge to its learners about various computer tools that are used in day to day life. The main objective of DCA is to provide an in depth knowledge in computers by touching the subjects like microsoft tools, operating systems, aspects of internet and other relevant topics

### Programme Objectives

- ✓ The applications and the programs taught make tasks simpler and provide ease of use to its users.
- ✓ A computer programmer or operator usually enjoys a higher demand for everything becoming technologically advanced.
- ✓ Application of this programme are used at shops for preparing a database for all the items including their serial numbers, price and quantity ratios.
- ✓ Passouts of this course are required to handle large data starting from back door operating to storing all sorts of information of an organization.

### Career paths you can choose after the programme

Students can opt for a variety of career options after completing this program. A computer operator can get a job in any office setting as a receptionist or accountant. Other than that, numerous career options are open such as:

- ✓ Networking & Internetworking field
- ✓ Database Development & Administration field
- ✓ Programming - Development tools, languages
- ✓ Technical writing
- ✓ Software design & engineering

### On completion of this course, some of the most popular career options for students are:

- ✓ Computer Operator
- ✓ Web Designer
- ✓ Accountant
- ✓ Software Developer
- ✓ C++ developer

## KHANDWA CAMPUS

The Karmaveer Vidyapeeth Campus of the university was established in year 2000 in Khandwa. It is the Karmbhoomi of Pt. Makhanlal Chaturvedi ji, the great Indian Freedom fighter, Editor, Journalist, Author and Poet. Presently, Master of Arts in Journalism (MAJ), Bachelor of Mass Communication (BAMC) and one-year Computer Diploma courses (PGDCA and DCA) are offered at the campus. Post Graduate Diploma in Film Journalism (PGDFJ) is being start from this new academic session.

S.N.	Course	Eligibility
1	M.A.J. (Master of Journalism)	Graduate in any stream.
2	B.A.M.C. (Bachelor of Art in Mass Communication)(Honors)	12th Pass in any subjects.
3	PGDCA (Post Graduate Diploma in Computer Application)	Graduate in any stream.
4	D.C.A. (Diploma in Computer Application)	12th Pass in any subjects.

**Sandeep Bhatt**

Director,  
Khandwa Campus

**Manoj Nivariya**

Asst. Professor

## MASTER OF ARTS MA(J)

Level - Postgraduate      Duration - 2 years (4 semesters)      Seats - 25

Eligibility - Applicant must be graduate in any discipline from recognized University

### About the Programme

Print media has a very important role in our lives. The print media is very effective to know about national and international happenings, to analyse them and to be aware of public issues and problems. The programme focuses on various aspects of print journalism such as news writing, reporting, editing and modern media.

Courses Offered, Minimum educational qualification for the course, course code, duration of the courses and the number of seats available are as under:-

## **(Courses based on New National Education Policy) Please note....**

Under the Government of India approved National Education Policy (NEP), 3/4-year (6/8 semesters) Honors courses of Under Graduate level have been started by the University. Its objective is to catalyze quality academic research while providing equitable access to holistic and multidisciplinary education to the students. In NEP-2020 -

- Multiple entry and exit system has been implemented. You can understand it like - in today's system, if you are not able to study further after the first or second year in a three year (or six semesters) course, then you have no option, but in multiple entry and exit system, you will be awarded certificate after one year, diploma after two years and degree after three-four years. This will be of great benefit to those students whose studies are left out in the middle for some reasons.

There will be a four-year degree programme for students who want to do research. Those who want to go into any job, they will have to do only three years degree programme.

## IMPORTANT INSTRUCTIONS FOR STUDENTS

- ✓ Admission to courses will be given on the basis of merit of marks obtained in the entrance test and interview.
- ✓ Based on the immediate circumstances of Covid-19 and the guidelines given by the government for this, the university may change the admission process and related dates. Same will be notified on the University Website.
- ✓ The student must bear the responsibility of all the information provided in application form regarding educational and other essential qualification.
- ✓ It is mandatory to produce all the original documents/mark sheets with the printout of the application form at the time of admission.
- ✓ Those who have appeared for their final year of eligibility examination are also eligible to apply provided they submit proof of clearing the eligibility examination and marks obtained at the time of admission.
- ✓ A limited number of accommodation is available in the hostel for the convenience of students at the new campus of the university. For hostel a separate application has to be made for the hostel after taking admission. The final decision to allotment of hostel can be taken at the time of admission.
- ✓ Due to COVID-19 situation, lock down announced by the Govt., deceleration of 12th result by the respective boards or deceleration of UG result by Universities and other circumstances, university may modify the dates of admission process. Such information will be publish on the University website.
- ✓ Based on the candidates of the entrance examination, the list will be released on the website by selecting the students for interview. Technical admission will be given on the basis of merit of the candidates of entrance test and interview. It will be mandatory for these students to deposit the prescribed fee of the course within the stipulated time frame. If the fee is not deposited within the time-frame, their entry will be cancelled.
- ✓ The University follows the reservation policy followed by the government of Madhya Pradesh for admissions in different programmes. Forty percent seats in each programme are reserved for Madhya Pradesh domicile. Seats are reserved for Scheduled Caste, Scheduled Tribe and Other Backward Category students as per the rules laid down by the government of Madhya Pradesh. Thirty percent seats in each category are reserved for female candidates. Reservation is provided to physically challenged students and applicants from Jammu & Kashmir, as per the guidelines of the government of Madhya Pradesh. Students seeking admissions under the quota concerned will have to submit essential documents at the time of admissions, otherwise their claim for the seat won't be considered.

The Students will be responsible for all the documents to be enclosed with the application form for educational and other essential qualifications. The documents will be cross-checked at the time of final selection. This year EWS (EWS means economically weaker sections) reservation will also be followed.

- ✓ The University reserves the right to make any change in the admission schedule, to reduce or increase the number of seats or discontinue any programme, if any situation arises. The Vice- Chancellor's decision will be final and binding in all such matters. All legal disputes are subject to the jurisdiction of Bhopal Court only.
- ✓ Students shall comply with the provisions of the MCU Act and regulations made there under and code of conducts/instructions to be issued time to time, by the University administration. The University reserves the right to make any change or modification in the curriculum with due notification.
- ✓ After the last date of filling the admission form, first list of provisionally admitted students in respective courses, prepared on the basis of merit in the qualifying examinations, will be displayed on <http://www.mcu.ac.in>
- ✓ Afterwards, the provisionally admitted students have to deposit the prescribed course fees online within given time period, otherwise their right of admission in the applied course will be forfeited.
- ✓ Students must regularly visit the University website [www.mcu.ac.in](http://www.mcu.ac.in) for any information related with admissions. They can also personally contact on the phone at 0755-2553523 (Bhopal), 9754870534 (Khandwa), 7693861752 (Rewa) or email at [admission@mcu.ac.in](mailto:admission@mcu.ac.in) for any guidance or assistance.
- ✓ If a student wants to withdraw his/her admission before the commencement of programme Rs. 5,000 will be deducted as processing fees, after this date only caution money will be refunded.

## पुष्प की अभिलाषा

चाह नहीं, मैं सुरबाला के गहनों में गूँथा जाऊँ,  
चाह नहीं प्रेमी-माला में बिंध प्यारी को ललचाऊँ,  
चाह नहीं सम्राटों के शव पर हे हरि डाला जाऊँ,  
चाह नहीं देवों के सिर पर चढ़ूँ भाग्य पर इठलाऊँ,

तोड़ लेना वनमाली !

थ पर देना तुम फेंक !

मि पर शीश- चढ़ाने,

जावें वीर अनेक ।
